CROP CONDITIONS SAID TO BE FINE

PROSPECTS IN LINCOLN COUNTY WERE NEVER BETTER THAN NOW

Corn in this section of the country is reported to be looking fine and promises to yield a wonderful crop this fall. The recent rains have put the ground in excellent condition and the hot days of the past week gave the corn the conditions which it needed to make a big growth. Some late plantings are still small but are making rapid growth and promise to give a good return when harvest time comes. The rain of Sunday night was almost half an inch in North Platte and varied in other places from a quarter to a full inch. The U. S. Weather Bureau here reported a temperature of 98 on Saturday and then on Sunday night it went down to 56. Alfalfa is doing well and hay is said to be fine in all sections of the county. While some sections of the state have suffered severely from hail, Lincoln and adjoining counties have been more fortunate. Reports indicate less hail damage this year than usual. Some wheat has been threshed but not enough to get a line on the yield. One man in the eastern part of the county has sold his crop on the basis of nine bushels to the acre. Potatoes are showing up well and a good yield is predicted in most parts of the county. Beets are doing well where the weeds were kept out during the earlier parts of the season. Some acreages are too weedy to amount to much.

Mrs. Joe Souser of Brady shopped in the city Friday. Miss Lillian Kopf, writing from Giltner, Nebr., where she is visiting her sister, Mrs. Albert Mushaney, tells of spending an evening at a home there where they had a radophone. She says she heard music from Kansas City and Omaha.

SUNDAY'S GAME SAID TO HAVE BEEN MOST INTERESTING OF SEASON

In one of the closest contested games played on the local diamond for years, Elm Creek defeated the North Platte Legion team by a score of 1 to 0. It took eleven innings to do it. At the end of each inning the score was 0-0 until the accident happened in the eleventh. One enthusiastic fan in reporting the game yesterday said: "It is old stuff to blame the umpire for losing a game but to give justice to the North Platte boys a little must be said on this subject. In the 8th inning with Cool on 3rd, Beal hit a swinging bunt to the Elm Creek pitcher who tried to touch Cool coming from 3rd. He made the 2nd attempt to touch Cool, proving beyond a doubt that he was not out but the umpire called Cool out spoiling our chance to win otherwise the score would have been revised in North Platte's favor." The same teams play here again some time in August.

PRIMARY ELECTIONS BEING HELD TO-DAY

EVERY PRECINCT AND WARD IN THE COUNTY HAS POLLING PLACE

Thousands of men and women in Lincoln county will go to the polls today and cast their ballots for the party nominations for office. The polls were open at 8 o'clock this morning and will close at 8 this evening. Qualifications for voters are few and simple. A man or woman must be at least 21 years of age and a resident of Nebraska for at least six months, of Lincoln county for at least 60 days and of the precinct or ward in which he votes for at least 10 days. In the city of North Platte he must have registered with the city clerk in order to vote. The election is under the direct control of the County Clerk who prepares all the election ballots, and sends them with other necessary blanks and reports to the election officers in each precinct or ward. Only three parties are eligible to have tickets in the field. The others failed to cast enough votes at the last general election as old parties or did not qualify as new parties. In most of the cities and villages in the county, counting boards consisting of four voters will begin work at noon and continue during the afternoon and evening to count the votes. The vote of the county will probably be counted an hour after the polls close. The candidates for the different offices have made their fight. They have been encouraged by their friends and now are waiting the count to learn the results. The winners will be the candidates at the regular election next fall.
